

## Sports Premium Funding at Orchard Way

The government has provided additional funding for all schools to improve the provision of PE/ sport. Schools are able to decide how this funding is used to in order to develop areas of the curriculum which benefit pupils' health and fitness.

### **How did Orchard Way spend the 2018-19 Sports Premium Funding of £17 800?**

In 2018-19, we spent the Sports Premium Funding in the following way:

£7600	Sporting Steps coach to work alongside class teachers in teaching weekly PE lessons
£6400	Additional specialist sports coach to teach PE
£1950	Dance specialist instructor – each class to have one half term's weekly dance lessons
£ 750	Football coach
£2700	Sports coach to teach after school sports clubs
£ 460	PE Equipment, including new netball goals
£ 100	Fees for local competitions: Football, Netball, Croydon Swimming Gala and Dance Festival, Athletics tournament
<b>£19960</b>	<b>Total spent on PE teaching during 2018-19</b>

### **Pupils took part in the following sessions each week.**

<b>R</b>	Pupils in Reception have 2 timetabled sessions of PE per week on the playground, the field or in the hall. Much of this involves developing different movements, balances and jumps and also practising climbing, running, catching and throwing skills in line with the Foundation Stage guidance. They also develop fine and gross motor skills daily in the classroom and the outdoor learning environment.		
<b>Yr 1</b>	1 x 1hr PE session per week led by the Sporting Steps coach or dance instructor and the class teacher	1 x 1hr PE lesson led by a qualified sports coach	
<b>Yr 2</b>	1 x 1hr PE session per week led by the Sporting Steps coach or dance instructor and the class teacher	1 x 1hr PE lesson led by a qualified sports coach	
<b>Yr 3</b>	1 x 1hr PE session per week led by the Sporting Steps coach or dance instructor and the class teacher	1 x 1hr PE lesson led by a qualified sports coach

<b>Yr 5</b>	1 x 1hr PE session per week led by the Sporting Steps coach or dance instructor and the class teacher (Feb-July)	1 x 1hr PE lesson led by a qualified sports coach	1 x 30 min swimming lesson weekly from Sept to Feb half term
<b>Yr 6</b>	1 x 1hr PE session per week led by the Sporting Steps coach or dance instructor and the class teacher	1 x 1hr PE lesson led by a qualified sports coach	

### **Inter-school competitions**

At Orchard Way, we pride ourselves on our participation in quality sports provision, which includes taking part in friendly matches between local schools and competitions, including:

- Croydon Primary Schools Netball league (A and B teams)

- Croydon Primary Schools Football league (A and B teams)
- Premier League Stars Football Competition
- Croydon Swimming Gala
- Croydon Schools Dance Festival
- Croydon Schools Athletics Competition

In 2018-19, we also took part in two new inter-school competitions for the first time and would now like these to become part of our annual sporting calendar, they were: a Rounders' Competition at Royal Russell School and a Girls' Football Competition. Following this, we will be forming our own girls' football team in 2019-20.

### **Impact of 2018-19 Sports Funding**

The impact in 2018-19 of the Sporting Steps coach was as follows:

- Increased understanding of skills progression in a range of sports, dance and gymnastics
- Increased confidence in the teaching of gymnastics and the use of apparatus
- Teachers are more involved throughout PE lessons
- Teachers use more resources, such as You Tube and government websites to look up information regarding specific sports and fitness
- The organisation of PE sessions has improved in terms of pupils being active for the vast majority of the session and resources are better used
- Coaches and teachers together are better able to recognise and challenge talented pupils in PE
- Teachers have a better knowledge of the safety requirements of PE
- Pupils are developing skills at a faster rate
- There is less repetition from one year group to the next, as teachers are more confident with the progression of skills
- The range of skills is improved
- Talented pupils were given additional coaching in athletics during the summer term.

The impact of the qualified dance instructor was as follows:

- All pupils from Yrs 1-6 took part in high quality dance provision taught by a specialist
- All pupils, particularly boys, became more interested in Street Dance
- Pupils had the opportunity to further their dance skills through weekly Dance Club

- The school had two groups totalling 41 pupils take part in the Croydon School Dance Festival over two consecutive evenings

## **Sports Premium Funding 2019-20**

Orchard Way has been allocated **£17 800** for 2019-20 and we have decided to spend this in much the same way as last year. To summarise:

- a specialist sports coach from the company SAS Sporting Academy to team teach PE sessions with teachers and to teach PE and sporting clubs three days/week
- a highly skilled and qualified dance instructor to give all pupils from Yr 1-6 a half term of weekly dance lessons
- qualified sports coach to develop the quality of games during playtime and lunchtime
- improving the equipment and resources used during PE sessions and sports competitions

The purpose of this is to:

- support teachers to plan high quality PE lessons which cover all the requirements of the national curriculum for PE
- demonstrate high quality teaching of a range of sports for teachers to observe
- team teach with class teachers, providing specialist support and guidance through observing class teachers and providing feedback to improve their teaching of PE
- develop teachers' confidence and expertise in teaching all aspects of PE
- ensure that the pupils develop a range of skills in sports, dance and gymnastics at the appropriate level in each year group, including challenge for more-able/talented pupils
- instil a love of sport and exercise through increased participation in a broad range of sporting activities
- ensure KS2 pupils are meeting national expectations within swimming
- maximise opportunities for pupils to take part in sporting activities led by highly skilled instructors
- ensure that pupils receive high quality dance provision as part of their physical education
- motivate pupils (particularly boys) to take part in Street Dance
- increase participation in competitive and non-competitive sports and inter-school tournaments
